

FuneralPlan™ Concierge Services

Helping Funeral Homes and Cemeteries Simplify, Organize, Plan, and Communicate Funeral, Wake, Memorial and Gathering Plans Along with Aftercare Services.

Provide Your Families With an Easy-to-Use Tool That Can Ease Stress During a Difficult Time.

FEATURES

- A tool for families that simplifies communication to loved ones during a stressful time.
- Provides details of a funeral, wake, memorial, gathering and aftercare wishes.
- Accessible from your funeral home website as well as on eCondolence.com.
- Families can easily update, add new information, and upload photos for a more personalized FuneralPlan™.
- Collects contributions through a secure payment system, a single resource that streamlines the collection of funds for catering, meals, and memorial tree planting.
- The family will receive a complete list of all individuals who have contributed, together with their personal messages and return addresses.
- Provides family, friends and others with a place to express condolences.
- Access to an eCondolence.com Concierge who can assist the family or coordinator with catering, food or family meals.
- Through the FuneralPlan™, supporters can order same-day, hand-delivered platters and meals, along with an assortment of premium sympathy flowers, food baskets and commemorative products.

The FuneralPlan™ is a personalized web page that displays all of the details regarding a funeral, wake, memorial and gathering, along with aftercare wishes such as contributions, meals and commemoration. The FuneralPlan™ can easily and quickly be sent to family, friends, and colleagues, reducing the time spent circulating information.
